INFORMATION DISCLOSURE STATEMENT

Sir:

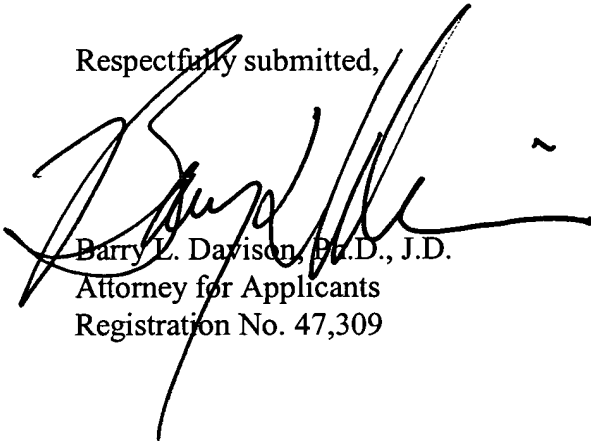

Pursuant to the obligation recited in 37 C.F.R. § 1.56 and in conformance with 37 C.F.R. §§ 1.97-1.98, Applicants request consideration of this Information Disclosure Statement in prosecution of this application. Pursuant to 37 C.F.R. § 1.97(b), no fee or certification is required because this Statement is filed within three months of the filing date of the application or before the mailing date of a first Office Action on the merits, whichever event occurs last.

Applicants cite four references listed on the attached form substitute Form PTO-1449. A copy of the cited reference is enclosed for the Examiner's review. The Examiner is encouraged to review the references in order to draw his or her own conclusions concerning the pertinence of the reference to the claimed subject matter of this application. The filing of this Information Disclosure

Statement should not be construed to suggest that a patentability search has been made or that the cited references are prior art or are considered to be material to patentability.

These references were cited in the International Preliminary Examination Report of the international patent application from which it derives. A copy of the Examination Report is also enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Barry L. Davison', is written over the typed name and title.
